

DOUBLE MAJOR DECLARATION FORM

Students may earn a double major by selecting two majors within the College of Liberal Arts & Sciences. A minimum of 48 credits without overlap is required to earn both majors. Therefore, students might need to take extra courses in one of the majors if the two majors require some of the same courses. Related courses are not included in this overlap rule. That is, both majors can share the same related courses.

Part I

Submit this form to the CLAS Academic Services Center for the dean's signature and final processing. **The form can be dropped off, scanned/emailed, mailed, or faxed.
